Imagine that as an heir or beneficiary, you discover that the executrix or executor administering your loved ones estate takes too long in responding to you and/or refuses to answer questions. At the same time, you may feel that there is little or nothing you can do, which is a mistake! Yet the truth is that you DO have options available to you that a dishonest executor or executrix hopes that you never find out! He or she is, behind your back --- and the backs of other beneficiaries --- hoping to get away with unlawfully removing what may be YOUR assets and money and keeping them all. But this need not happen to you or other beneficiaries. How NOT to Get Ripped Off as an Heir helps you to spot ripoffs and deal with a dishonest executor or executrix in a timely manner and prevent him or her from taking assets and/or money to which you are rightfully entitled to. D. A. Zjawin, a beneficiary who knows first-hand of which she speaks, has experienced and dealt with the chicanery of an executrix, CPA, and estate attorney of her late aunts estate --- and explains what heirs and beneficiaries need to know and do in exposing fraud of those entrusted with an estate and nipping the problem in the bud. This item ships from La Vergne, TN. Paperback.
