## Adios Muchachos: A Memoir of the Sandinista Revolution

By Sergio Ramirez, Stacey Alba D. Skar

Duke University Press. Paperback. Book Condition: new. BRAND NEW, Adios Muchachos: A Memoir of the Sandinista Revolution, Sergio Ramirez, Stacey Alba D. Skar, Adios Muchachos is a candid insider's account of the leftist Sandinista revolution in Nicaragua. During the 1970s, Sergio Ramirez led prominent intellectuals, priests, and business leaders to support the Sandinista National Liberation Front (FSLN), against Anastasio Somoza's dictatorship. After the Sandinistas overthrew the Somoza regime in 1979, Ramirez served as vice-president under Daniel Ortega from 1985 until 1990, when the FSLN lost power in a national election. Disillusioned by his former comrades' increasing intolerance of dissent and resistance to democratization, Ramirez defected from the Sandinistas in 1995 and founded the Sandinista Renovation Movement. In Adios Muchachos, he describes the utopian aspirations for liberation and reform that motivated the Sandinista revolution against the Somoza regime, as well as the triumphs and shortcomings of the movement's leadership as it struggled to turn an insurrection into a government, reconstruct a country beset by poverty and internal conflict, and defend the revolution against the Contras, an armed counterinsurgency supported by the United States. Adios Muchachos was first published in 1999. Based on a later edition, this translation includes Ramirez's thoughts on...

### Reviews

*Extensive guide! Its such a excellent read. This can be for anyone who statte that there was not a worth looking at. I am just effortlessly will get a satisfaction of looking at a written publication.*

-- Melvin Hettinger

*This book will not be effortless to start on reading through but very exciting to learn. It is amongst the most remarkable book i have got go through. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
