Reviews

Thorough information! Its such a good study. Sure, it is perform, still an amazing and interesting literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Evie Emmerich)

CLASSIC AMERICAN SHORT STORIES

Naxos Audiobooks on Brilliance Audio, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Five great American short story writers, dating from the turn of the nineteenth/twentieth centuries are represented here. Different in atmosphere and writing style, they nevertheless caught the mood and concerns of the day in a way that was distinctly American. Bierce's *An Occurrence at Owl Creek Bridge* leaves echoes in the imagination; the stories by Crane and London recall the themes of the Civil War and the Klondike for which they are well known. Twain's humour is to the fore in *The Notorious Jumping Frog of Calaveras County* and O. Henry's sharp observation makes his neat tales a joy to listen to. An attractive and accessible collection.
