

## Farm Blacksmithing (Classic Reprint) (Hardback)

By James M Drew

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Farm Blacksmithing Several years ago a series of articles on Farm Black appeared in, Farm, Stock and Home. There was then, and has since been, some inquiry for a book embodying those articles and covering the subject of iron and steel work, or so much of it as the farm mechanic would need to know. Such a book has now been prepared, and the author has added to it such knowledge as he has gained by an experience of seven years in teaching blacksmithing to the farmer boys in the Minnesota School of Agriculture. If the expert blacksmith complains that he finds nothing to interest him in the book, let him remember that it is not intended that he should. It was written for beginners. The chapter on Saw Filing was written by Mr. William Boss, Instructor in Carpentry at the School of Agriculture. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct...
