### **Reviews**

*This written publication is wonderful. It is probably the most incredible publication i actually have read through. Its been written in an extremely basic way in fact it is merely following i finished reading this publication where basically transformed me, alter the way i believe.*

*(Adan Fritsch)*

## CRYPTOGRAMS IN WONDERLAND (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. large type edition. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Cryptograms in Wonderland is a collection of 50 puzzles taken from the brilliant nonsense of Lewis Carroll. Enjoy quotes from Alice s Adventures in Wonderland and Through the Looking Glass while working on your mental prowess. For those not familiar with them, a cryptogram is a word puzzle solved with a simple substitution code in which one letter stands for another. The word CAT might look like NVI, where N=C, V=A, and I=T. The solutions are in the back and there is a hint page if you need help getting started. I ve also included some of the best original illustrations by John Tenniel. The puzzles are in large print and double spaced to give you plenty of room to solve. Word play has never been so much fun!.
