Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Mormonsim, in its progress and maturity, has attained a conspicuous page in the annals of our century. Yet a full account of the remarkable sect, beginning with its origin and rise, and circumstantially disclosing the earlier designs and delusions of its founders, has hitherto remained unwritten. The facts and reminiscences contained in this volume, based upon the author s personal knowledge and information, are produced to fill the blank and supply the omitted chapters in Mormon history.
