## COMPETITION POLICIES FOR THE GLOBAL ECONOMY (PAPERBACK)

The Peterson Institute for International Economics, United States, 1997. Paperback. Condition: New. Language: English . Brand New Book. As border barriers have declined, private barriers to competition have grown more significant. More and more international trade disputes involve private business practices that allegedly block the market access of rival firms. Such disputes include high profile conflicts between Japan and the United States over semiconductors, auto parts, and photographic film, between the European Union and the United States over aerospace and...
