EL FRENTE HUMANO (SPANISH EDITION)

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 122 pages. Dimensions: 8.0in. x 5.0in. x 0.3in. Novela corta ganadora del Premio Sidewise de Historia Alternativa. En un mundo que vive una interminable guerra mundial desde 1945 John Matheson, un joven e idealista escocés se ve abocado a luchar en las guerrillas que los comunistas lidian en Escocia contra el capitalismo norteamericano. Pero todo cambia con la llegada de unos nuevos combatientes. Ken MacLeod nos ofrece un relato sarcástico y mordaz sobre el capitalismo y la exploración de la singularidad tecnológica en una civilización posthumana. Una historia alternativa que a la vez la tira política con un vívido relato de aventuras estimulante, tan provocador como divertido. Ken MacLeod (1954) es un escritor británico de ciencia ficción, especialista en computación y biomecánica. Ha cultivado sobre todo el género de la ciencia ficción dura y el space opera. Sus novelas a menudo exploran ideas políticas como el comunismo o el anarquismo, además de temas claramente científicos como las singularidades tecnológicas, el posthumanismo y la robótica. Entre sus obras más destacadas se encuentran El Torren del Cosmonauta, novela nominada al premio Hugo, Luz Oscura, o The Night Sessions novela ganadora del premio BSFA en 2008. This item ships from La Vergne, TN. Paperback.
