ELASTICSEARCH: YOUR COMPLETE GUIDE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Who will provide the final approval of Elasticsearch deliverables? What is our formula for success in Elasticsearch ? Meeting the challenge: are missed Elasticsearch opportunities costing us money? What may be the consequences for the performance of an organization if all stakeholders are not consulted regarding Elasticsearch? Have all basic functions of Elasticsearch been defined? Defining, designing, creating, and implementing a process to solve a business challenge or meet a business objective is the most valuable role. In EVERY company, organization and department. Unless you are talking a one-time, single-use project within a business, there should be a process. Whether that process is managed and implemented by humans, AI, or a combination of the two, it needs to be designed by someone with a complex enough perspective to ask the right questions. Someone capable of asking the right questions and step back and say, What are we really trying to accomplish here? And is there a different way to look at it? This Self-Assessment empowers people to do just that - whether their title is entrepreneur, manager, consultant, (Vice-)President, CxO etc. - they are the people who rule the future. They are the person who asks the right questions to make Elasticsearch investments work better. This Elasticsearch All-Inclusive Self-Assessment enables You to be that person. All the tools you need to an in-depth Elasticsearch Self-Assessment. Featuring 700 new and updated case-based questions, organized into seven core areas of process design, this Self-Assessment will help you identify areas in which Elasticsearch improvements can be made. In using the questions you will be better able to: - diagnose Elasticsearch projects, initiatives, organizations, businesses and processes using accepted diagnostic standards and practices - implement...
