L auteur prenait comme point de depart le probleme de la douleur. Pourquoi chez ce peuple heureux des Grecs, la naissance de l art, cette vision complete ou se refuge l homme fatigue de la realite decousue, cette creation par l idee d un monde meilleur qui console du monde mauvais ? L apparence tranquille radieuse des anciens cachait-elle un pessimisme profond ? Les dieux sereins de l Olympe ne seraient-ils eux-memes qu une illusion heureuse que les Grecs se forgerent pour supporter la vie ? Le pessimisme cesserait d etre un signe de decadence comme nous sommes trop enclins a le croire ? Autant de questions insolubles, et qui meme n avaient pas ete posees.
