

Shades of Green (Paperback)

By Andy Lake

Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What would happen if a government committed to green policies and animal rights principles were elected, and had the will and determination to carry them through? Like a Green Taliban, only better organised and with the resources of a modern state at their disposal. In Shades of Green, that s just what happens. Against a background of continued economic flat-lining, a series of environmental crises propel Don Mason s Green Earth Movement into government. Their Green Revolution puts tens of thousands of Green Volunteers onto the streets, climate change projects launched to transform the economy, eco-criminals hauled off to eco-camps for re-education and every aspect of society examined for its environmental virtue. As the initial wave of euphoria subsides, Mason s government moves towards ever harsher measures to reduce the impact of humanity on the natural world. Caught in the middle of this are the Kitson Circle , led by the ambitious Liberal-Green politician Peter Kitson. As a compromise between prosperity and environmental virtue becomes ever more elusive, Kitson and his family find themselves at the mercy of forces they cannot control....
