Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Was Jesus really the Messiah? It s tempting to imagine that if we just could have seen Jesus, if we could have heard his parables and witnessed his miracles, that the truth of this claim would be obvious. But the truth is, Jesus contemporaries-even many of his own followers - struggled with this question just as we do today. Plenty of people who observed Jesus actions with their own eyes resisted the idea that he was the Messiah. One of the most useful ways to test Christianity s claims about Jesus is to look to the Jewish Scriptures that predated Jesus birth. By examining the story of Israel, and by looking carefully at the different prophecies and hints that describe the promised Messiah, we can evaluate whether or not Jesus fits the picture of that Messiah.
