

Prealgebra Introductory Algebra Books a la Carte Edition Plus New Mylab Math with Pearson Etext -- Access Card Package (Hardback)

By Elayn Martin-Gay

Pearson, 2014. Hardback. Condition: New. 4th ed.. Language: English . Brand New Book. This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value-this format costs significantly less than a new textbook. Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson s MyLab Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson s MyLab Mastering products. Elayn Martin-Gay s developmental math program is motivated by her firm belief that every student can succeed. Martin-Gay s focus on the student shapes her clear, accessible writing, inspires her constant pedagogical innovations, and contributes to the popularity and effectiveness of her video resources. This revision of Martin-Gay s worktext series continues her focus on students and what they need to be successful.

Reviews

This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.
