Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

SUNITA S SECRET (PAPERBACK)

Random House Children s Publishers UK, United Kingdom, 2006. Paperback. Condition: New. Language: English . Brand New Book. Sunita starts at her new school determined to hide her horrible secret. But class goddess Celina soon becomes Sunita s arch-enemy and their classmates soon find out that Sunita s dad is an infamous fraudster on the run. Sunita has her work cut out to prove that she s no criminal herself. She tries to be ultra-careful about making friends but somehow she can t hide her natural instinct for helping people. As she s trying to keep her head down, she starts doing little favours for people secretly. And, oddly, a rash of helpful book-mending, locker-tidying and present-leaving quickly takes over the class and, then, the whole school. Even Celina seems to have been affected - but when she tries to take the credit for the scheme, Sunita can see her motives are far from innocent. Should Sunita put up or shut up?.
