Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.Excerpt from The Lower House in Legislation The governments of the Western Hemisphere are all republican. All the states of Europe, except Russia and Turkey, have representative legislatures. The Americas and Europe, with the last mentioned exceptions, have written constitutions guaranteeing popular rights. Colonial dependencies have become self-governing. Revolution has overthrown absolute rulers and set up republican institutions. Russia, the only aggressive absolutism of Europe, has in its mir the germ of political regeneration. The unexampled development of Japan, in the last twenty-five years, is proof positive that the long-stagnant Orient has been stirred and shaken. Corea has abandoned its hermit-role. The hide-bound imperialism of China faces the alternative of reform or dissolution. The conflict between the old idea of the divine right of rulers and the new idea of the divine right of the ruled is irrepressible. The axiom of modern political science that governments derive their just powers from the consent of the governed is obtaining wider acceptance. The growing strength and grandeur of the self-governing nations are an impressive object lesson to the despotically governed. The nineteenth century has emphasized the pyramid-like stability of government resting upon the broadest practicable popular foundation. Sluggish, indeed, appears the stream of political progress, if we look backward thirty-four hundred years to Moses or twenty-two hundred to Aristotle. The movement is more rapid, if we narrow our retrospect to Simon de Montfort's model parliament six hundred years ago, or to William the Silent and the Dutch Republic three hundred and fifty years ago, or two hundred and fifty years ago to John Pym's discovery that the House of Commons was the essential factor in the government...
