For one week in late July of 1877, America shook with anger and fear as a variety of urban residents, mostly working class, attacked railroad property in dozens of towns and cities. The Great Strike of 1877 was one of the largest and most violent urban uprisings in American history. Whereas most historians treat the event solely as a massive labor strike that targeted the railroads, David O. Stowell examines America's predicament more broadly to uncover the roots of this rebellion. He studies the urban origins of the Strike in three upstate New York cities-Buffalo, Albany, and Syracuse. He finds that locomotives rumbled through crowded urban spaces, sending panicked horses and their wagons careening through streets. Hundreds of people were killed and injured with appalling regularity. The trains also disrupted street traffic and obstructed certain forms of commerce. For these reasons, Stowell argues, The Great Strike was not simply an uprising fueled by disgruntled workers. Rather, it was a grave...
