Explains the campaign that led to the battle and the aftermath of Trafalgar. Includes a bibliography for further reference. Over the course of its history, England has engaged in an uncountable number of battles, but a select few have been celebrated like the Battle of Trafalgar, one of the most important naval battles in history. Before the battle, Napoleon still harbored dreams of sailing an invasion force across the English Channel and subduing England, but that would be dashed on October 21, 1805 by a British fleet that was outnumbered and outgunned. That morning, Admiral Horatio Nelson's fleet, 27 strong, bore down on the Franco-Spanish fleet, approaching at right angles in two columns. French Admiral Pierre-Charles Villeneuve's disposition was conventional - a single line of battle, ill formed due to the very light winds and the poor seamanship of many of the crews. Traditional naval warfare strategies called for approaching an enemy fleet in one line and then creating a parallel line that allowed as many guns as possible to fire. At the same time, that kind of...
