Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.At the time of the birth of a firstborn child, 60 of mothers and 80 of fathers do not feel confident in feeling adequately prepared for their new role of being a parent (according to a UNICEF survey). Are you desperate to stop the never-ending crying of your infant? Do you ever feel guilty that you re the fortunate parent of a beautiful baby who sometimes just drives you completely insane? Are the sleepless nights, poop-filled days, and the lack of support from your significant other leaving you overwhelmed? Well, at some point during the first few weeks almost every mom will find herself completely exhausted, praying for the crying to stop, and realizing that she never thought it would be that hard. I have written this very short guide to share my tips as a mother of two on how to not just survive but actually ENJOY the first year, learn how to navigate newborn s feeding habits, easily calm the cries, and help baby to sleep better. You can read a lot on parenting an infant,...
