THE CONSTITUTION OF THE SUMMER-LAND. Thus far we have cautiously walked in the factlighted path of inductive science. We are, nevertheless, in search of that attractive Spiritual Zone--which blends, astronomically and-mathematically, the finite with the infinite--to which the human heart and the cultured mind instinctively aspire. We are intellectually searching for that higher Land which, accepting the testimony of seers, rolls embosomed in the Stellar Universe. In looking through the boundless blue for our eternal home, we behold, as by necessity, the holy orbs and sun-built constellation of the ethereal realm. Ye stars 1 which are the poetry of heaven, If in your bright leaves we would read the fate Of men and empires--tis to be forgvtven; For ye are A beauty and a mystery, and create In us such love and reverence from afar That fortune, fame, power, life, have named themselves...
