Revelation 101 is a book that explains the seven visions of the Book of Revelation from a historical, biblical viewpoint. The Book of Revelation covers history from Pentecost to the end of the world. Every event and experience in our present life and in this period of history is covered in the seven visions. Jesus is Lord of all. The Book of Revelation reveals Jesus in charge of history according to God s plan since he only, has been given the kingly power and authority to execute the plan. Gunnink in Revelation 101 tells us how to read the events of nature and life as they appear in the daily news. What is Jesus doing through natural disasters, what is He saying in the tragedies of life, is there any good news? How do we interpret the struggles, wake-up calls, and mysteries of life? Where do we find hope, security, and victory? We are looking at all things from God s point of view as Jesus works out God s eternal plan. Author Gunnink tells us to look at the forest not the trees. What is the overall message of the Book of Revelation? Revelation 101 is presented in a non-theological language, understandable for the average person, in an interesting and inspiring way. The author s purpose is to bring understanding and joy to reading this revelation from God.
