Nova Science Publishers Inc, United States, 2013. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Solar ready design is important if photovoltaic (PV) or solar hot water (SHW) technologies are to be installed on a building at any time during the building s lifespan. Solar ready also allows owners to take advantage of a changing energy market. The economics for installing solar on a new building are not always compelling, but, in the future, that picture could...
