Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

In Three on a Match, the second book in the Terror Project series, you ll find not everybody makes it out alive. SPLENDID CHYNA by Kristi Petersen Schoonover Cece s hoping for a fresh start for her and her family when she moves to Kissimmee, but soon terrifying visions, strange artifacts, and her daughter s erratic behavior prove that some dark secrets can t be left behind. Although she s done with the past, it s not done with her--and she may be doomed to repeat it. ALL S WELL THAT ENDS by g. Elmer Munson Harkening back to classic pulp and grindhouse, police officer Angel Lewis has problems--with anger management, a frustrated and distant wife, a precocious daughter . . . and bourbon. The one thing he doesn t have a problem with is busting baddies--until a typical call turns into a shocking bloodbath, and he discovers one of those bad guys has been holding more than just a grudge. THICKER THAN WATER by Melissa Crandall Cora has secrets: her heart aches for her husband at sea; a young man is relentless in his unwelcome attention; she s a witch, and her burgeoning daughter will be, too. Before long, there is vicious gossip, slaughtered livestock . . . and a witch hunter arrives. Cora insists she s innocent, but will enough evidence be brought forth that even she begins to wonder? Spooky, sinister, spine-tingling: these three keep-you-up-all-night tales of horror by Kristi Petersen Schoonover, g. Elmer Munson, and Melissa Crandall have it all! Lauren Baratz-Logsted, author of The Twin s Daughter.
