GIRL IN RED READING BOOKMARKS, PACK OF 4

Enthusiast, United States, 2014. Other merchandise. Book Condition: New. 108 x 76 mm. Language: English . Brand New Book. Booklovers Bookmarks are designed to be used by the reader of a book to stylishly and effectively indicate the page and place last read. The sturdy brass construction of the Booklover s Bookmark is designed to embrace the edge portion of one or more leaves of a book and to be held firmly but removably in place by frictional engagement with the opposite faces of the leaf or leaves. Each Booklover s Bookmark is packaged attractively on a card in which the actual bookmark grasps a page from an actual page from an old book, illustrating for the potential buyer or the gift recipient the immediate attraction and utility of the item. Each packaged bookmark also includes a quote from a fellow booklover extolling the virtues of books and reading. THE READING GIRL IN RED design shows an owl reading a book to gain even more wisdom. The quote reads: She read books as one would breathe air, to fill up and live. -- Annie Dillard Sold in packs of four - suggested retail of \$5.95 per individual bookmark.
