

The Preparation of Nicotine Dust as an Insecticide (Classic Reprint) (Paperback)

By Ralph Eliot Smith

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Preparation of Nicotine Dust as an Insecticide The idea of a standardized nicotine dust, first suggested by the writer as an improvement on tobacco dust for the control of the walnut aphid, has aroused much interest in connection with the possibilities of destroying a number of other insect pests by dusting where liquid spraying is, for one reason or another, ineffective or impractical. Several other kinds of aphid, various leaf hoppers and thrips and a number of lepidopterous larvae, beetles and bugs are already being successfully combatted by this means, and it is believed that important possibilities have been opened for further development. The present publication has been prepared in order to make known the methods and results of the work thus far. Reviews

These kinds of publication is the greatest pdf available. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Lorena Streich

It becomes an awesome pdf that I have actually read through. It really is full of knowledge and wisdom You may like how the writer compose this book.
