**DIVINATION WITH TEA LEAVES (VIETNAMESE EDITION): DIVINATION WITH TEA LEAVES (PAPERBACK)****DOWNLOAD**

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It is somewhat curious that among the great number of books on occult science and all forms of divination which have been published in the English language there should be none dealing exclusively with the Tea-cup Reading and the Art of Telling Fortunes by the Tea-leaves: notwithstanding that it is one of the most common forms of divination practised by the peasants of Scotland and by village fortune-tellers in all parts of this country. In many of the cheaper handbooks to Fortune-telling by Cards or in other ways only brief references to the Tea-cup method are given; but only too evidently by writers who are merely acquainted with it by hearsay and have not made a study of it for themselves. This is probably because the Reading of the Tea-cups affords but little opportunity to the Seer of extracting money from credulous folk; a reason why it was never adopted by the gypsy soothsayers, who preferred the more obviously lucrative methods of crossing the palm with gold or silver, or of charging a fee for manipulating a pack of playing-cards. Reading the Cup is essentially a domestic form of Fortune-telling to be practised at home, and with success by anyone who will take the trouble to master the simple rules laid down in these pages: and it is in the hope that it will provide a basis for much innocent and inexpensive amusement and recreation round the tea-table at home, as well as for a more serious study of an interesting subject, that this little guide-book to the science is confidently offered to the public.
