DISABLED MONSTERS

The Linnet's Wings (Press). Paperback. Condition: New. 72 pages. Dimensions: 9.0in. x 6.0in. x 0.2in.A Book of Poetry Reviews: In the world of poetry, there are those who paint intricate pictures with simple wordsand those who hone their craft, serving a greater purpose with their pen. In Disabled Monsters, John C. Mannone does both, creating bold displays of imagery while depicting how the human race deals with physical, mental, emotional, and behavioral disabilities. The opening poem in the book, entitled Empty Shells, starts off with a quote from John Donne. The quote reads, All mankind is of one author, and is one volume; when one man dies, one chapter is not torn out of the book but translated unto a better language. From there, Mannone opens the floodgates of imagery for the reader The tree sways its arms, crossing them, fingers moving in the weave of its hands, as if to sign. You can read the quaking of leaves telling us the quiet truthwe are not the children of a lesser God. (The Dogwood) Erin M. Kelly, Wordgathering: A Journal of Disability Poetry and Literature. Intense with emotional mystery. Mannone reveals a world of war, lost love, catastrophic illness, depression and regretso many of the sorrows humans inherit during life. Yet, in the evolution of these poems, Mannones honesty, his power of story, individual personas love and kindness, and above all, the courage to seek a prayerful life, helps to disable these monsters. Every sun-filled dawnI will steal its colorsand celebrate untilmy throat is crimsonedwith joy, Mannone writes in Lilies and Morning Matins. In Light Blooms this thought is echoed: No longer am I a childof the dark. I have growninto light and I now can see, count each glimmer, touch each hopeI am not alone anymore. Readers of Disabled...
