Caste, Catholic Christianity And the Language of Conversion Social Changes And Cultural Translation In Tamil Country

By S. Jeyaseela Stephen

2008. Hardcover. Book Condition: New. 406 Based on a wide range of published sources, archival material and field data this book is an in-depth study of the Portuguese missions and missionaries in the Tamil coast and hinterland between 1519 and 1774. It brings to light the socio-cultural interaction between the missionaries and the natives emphasizing the role of Catholic Christianity and its various institutions. In exciting and unexpected ways the book provides various dimensions of change in the Tamil society, analyzes the changes in approaches, strategies and schemes in the context of social development. It highlights the position of the people and their conditions that were more shaped by the diverse historical material conditions than by religion and ideology. It presents a fresh analysis on the theme of the Portuguese contribution to Tamil language and printing press and enriches our understanding of the Tamil Christian life and every day practices. This work is the first to offer an overall survey of the architectural and artistic traditions by placing them within proper historical and cultural context. This monograph is an exemplum of the best socio-historical and missiological study of Christianity in its analysis of texts, socio-cultural context and sets a wide...
