BookBaby, 2017. Paperback. Condition: New. Language: English . Brand New Book. DOMINATION DRONE, The Era of the Drone Wars, is an action, adventure, science fiction novel that takes the reader into the secretive military development of Drone technology. Through the journey of the main character, you are transported into the future where the planet is controlled by millions of Drones. In the year 2039, Drones hover in silence over every continent policing the world s food supply, controlling illegal immigration and effectively fighting everything from petty crime to years of brutal civil war. When a multinational underground resistance plans to overthrow air superiority from allies of the Free World, the Era of the Drone Wars begin. As reported currently by military leaders, and in the future, there is a shortage of UAV operators trained and committed to defend worldwide freedom. A fifteen year old high school boy and his friends design a video game that revolutionizes the strategy of military Drone combat. DOMINATION DRONE, the most advanced training program in the 21st century becomes the savior of all mankind.
