I, I can t get these memories out of my mind And some kind of madness has started to evolve I, I tried so hard to let you go But some kind of madness is swallowing me whole - Muse She has the only color in this gray world, but she hides it in a tissue in her pocket. Is it worth it to embrace the madness and release the kaleidoscopic dawn? Or float through life in a bliss of brain fog? In a town where death is served daily on a slice of homemade bread, and tales of two-headed fish and trailer-hitch balls are more profound than the meaning of life; Marianne struggles to find the perfect level of insanity. She thinks she s got it all figured out and then her past decides to show up after being gone for ten years. To feel, or not to feel. that is the question.
