Brand New Book ***** Print on Demand *****.For one calendar year, Mia Semuta made daily observations about things that she has learned- either by choice or circumstance- in the twenty years since high school. Each of these revelations was posted as a facebook status and she developed a loyal following to her frequently witty, sometimes sobering, often controversial but always honest inspections of herself and the world around her. Finally, some simply stood on their own in their humor, insight and raw sincerity. It s been twenty years since high school, what have you learned?.
