Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Murphy A B, C, System: Of Carriage Painting Yet it is not the fault of the Carriage Painter that this state of affairs exists. No class of mechanics is more keenly alive to the growing demands on them for improvement, nor has any class of work men put forward more earnest endeavors to adapt their methods and materials to the requirements of carriage building. The solution of the problem How can a carriage be painted quickly and yet durably has taxed the thought and enlisted the effort of every Carriage Painter in the land. To gain rapidity without sacrificing permanence and durability, to safely reduce the work of weeks into the work of days, to paint perfectly and yet with push; these were the results sought for. Rapidity alone was easily attainable by a liberal use of driers but this proved prejudicial to durability. Experimental changes and variations of the old system have been tried, and sufficiently, it may be asserted, to fully demonstrate the impossibility of conjuring up speed and durability, with materials the...
