

CRS Report for Congress: Nepal: Background and U.S. Relations: April 1, 2003 - RL31599

By Alan Kronstadt

Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.A landlocked Himalayan kingdom between India and China, Nepal ranks among the world's poorest countries. In 1990, following a democratization movement, the country became a parliamentary democracy under a constitutional monarch. Although this led to a process of economic restructuring and market liberalization, more than a decade of political instability and nearly seven years of increasingly dire internal security challenges have seriously hampered Nepal's economic growth and reform efforts. After several years of relatively robust growth, the economy is reported to have contracted in the fiscal year ending July 2002. Compounding the country's difficulties was the June 2001 tragedy in which 10 members of the royal family, including King Birendra, were killed in an assassination-suicide, reportedly carried out by Crown Prince Dipendra. At present, the Kathmandu government faces increasing pressure to end a 7-year-old Maoist insurgency that has caused widespread violence and crippled the Nepali economy. Nearly 8,000 people reportedly have been killed in the insurgency, with some two-thirds of the deaths occurring since the Maoists broke a cease-fire agreement in November 2001. In May...

Reviews

The publication is easy to read through and safer to comprehend. It is actually loaded with wisdom and knowledge. It has been printed in an extremely simple way and is particularly simply right after I finished reading through this pdf where it actually modified me, affecting the way I believe.

-- Ms. Clementina Cole V

This is the very best publication I have got read until now. It is definitely simplified but shocks within the fifty percent of the pdf. You may like how the article writer created this pdf.
