

A Systematic Guide to High Performing Teams (Htps) (Paperback)

Filesize: 7.63 MB

Reviews

This pdf is fantastic. It really is basic but shocks inside the 50 % in the pdf. I realized this pdf from my i and dad encouraged this pdf to discover.

(Hunter Witting)

A SYSTEMATIC GUIDE TO HIGH PERFORMING TEAMS (HTPS) (PAPERBACK)

[DOWNLOAD](#)

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A SYSTEMATIC GUIDE TO HIGH PERFORMING TEAMS (HPTS) Systematic Guides are aimed at leaders and managers who need to instantly access Organization-Ready models, practices, checklists and guidance in key subject areas which are logically organized and based on best practice. This guide provides a pragmatic framework for the interventions needed to successfully create and sustain High Performing Teams (HPTS) in organizations of all shapes and sizes. A unique aspect of this guide is that it covers and integrates both individual team member change management work and the whole team process development work. Ken s book provides pragmatic and comprehensive models for developing high performance in teams. It is full of practical anecdotes, checklists, tips and even spreadsheets you can use to hit the ground running. I would commend it to anyone who is serious about building high performing teams in their organizations. ADRIAN MOORHOUSE MBE, Gold Medal Winner 100-metre breaststroke, 1988 Seoul Olympics Managing Director of Lane4, Sunday Times Top 100 Best Small Companies I really like the way Ken has distilled a wealth of hard won wisdom on High Performing Teams down into some deceptively easy-to-use checklists. SIMON DODDS, Complex Adaptive System Designer, Improvement Science Coach and NHS Consultant Surgeon I work with a number of high performance teams and find Ken Thompson s book very helpful. What I particularly like is the way I can open it anywhere and remind myself of vital aspects of team interaction. PROFESSOR ALISTAIR FEE, Co-Founder Squid Academy Ken Thompson continues to produce the most prescient insights on human collaboration translating techniques used by insect colonies, the most efficient bioteams in nature into practical, measurable guides. NASA listens to him. So should you. LEON...
