LAND, MONEY AND HIGHWAYS: EVILS AND REMEDIES (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Land, Money and Highways: Evils and Remedies Politics in its highest sense is the science of government and as such only, is it treated in the following pages. At present I stand, with many others, without a party but not, thank God, without a country! The subjects treated are of such vast importance as to war rant a much more voluminous work. But such a book I think could not so well serve my purpose - which is to reach the great mass of voters who have no time in which to read large books, as well as those of more leisure. I have therefore expressed my thoughts in as few words as possible recalling in justification the old sayings, Brevity is the soul of wit, and Enough is as good as a feast.
