A Wall is an upright structure of wood, stone, etc; that serves to enclose, divide, or protect. A physical barrier, dam, embankment, dike, ditch, bank, levee, stockade fence, parapet, retainer, rampart, bulwark, palisade, fort, cliff, barricade, floodgate, or sluice. An obstacle; (figurative) barrier, obstruction, bar, entanglement, hurdle, resistance, defense, hindrance, impediment, difficulty, limitation, restriction stop, red-tape, stumbling blocks. So many youth today in our society have put up so many walls that have caused them to be hardened on the inside. This is why the neighborhoods and communities in our black areas are not prospering, but are places of no hope. Murders, crimes, drug abuse, and prostitution are all we have to look forward to. Why is this? It is because of the absence of many male role models period - that includes fathers to the neighborhood grandfathers. So many mothers are present, but not really present, if you know what I mean. It s time for change. It s time to raise our children with purpose by any means necessary. Even if you are not a biological mother or father, ACT LIKE ONE. The world needs you. Our children are dying at an alarming rate. We need to preserve this generation.
