

Fine Bonsai: Art Nature (Hardback)

Filesize: 4.06 MB

Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Pearl Corwin)

FINE BONSAI: ART NATURE (HARDBACK)

[DOWNLOAD](#)

Abbeville Press Inc., U.S., United States, 2012. Hardback. Condition: New. Language: English . Brand New Book. In this luxurious cloth-bound hardcover with glossy slipcase, renowned botanical photographer Jonathan Singer presents his breathtaking images of the world's most notable bonsai. In *Fine Bonsai: Art Nature*, the finest extant achievements in the art of bonsai are seen together for the first time, through the lens of renowned botanical photographer Jonathan Singer. This magnificent volume is the result of an extensive photographic campaign, in the course of which Singer was granted unprecedented access to the most respected public and private collections in Japan and the United States, including the mecca of bonsai, the Omiya Bonsai Village of Saitama, Japan, where photography is normally prohibited. Three hundred stunning full-page images and four lavish gatefolds present bonsai of all types, from quiet representations of nature to bold sculptural forms. The horticultural and aesthetic characteristics of each bonsai are concisely and authoritatively described in the narrative captions by William Valavanis, head of the International Bonsai Arboretum in Rochester, New York. And because the container is considered an integral part of any bonsai--indeed, the literal meaning of bonsai is tray plant--the book also includes some twenty-five photographs of traditional bonsai containers, with descriptions. A further sequence of twenty-five photographs is devoted to the related art of *suiseki*, or miniature stone landscapes displayed in the same manner, and often alongside, bonsai. With his groundbreaking first book, *Botanica Magnifica*, Jonathan Singer established a new style of botanical photography, characterized by an exceptional clarity of detail and richness of color, as well as a painterly *chiaroscuro*. These qualities are just as evident in the present volume; Singer photographs each bonsai with an artist's--one might even say a portraitist's--eye. Whereas most books on bonsai aim to instruct readers...
