Createspace, United States, 2011. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is for all those who may have to enter, or place a loved one in a skilled nursing home. Would all of these terrible things befall them and their loved one? If you are the caretaker of a loved one, there may come a time when you have reached the final limit. This is mostly guaranteed to happen unless the caregiver has devoted their entire life and future to the loved one. This does happen but most people cannot endure the physical and mental stress of the never-ending care and problems that go along with tending to their loved one's needs. It could be your very ill mother, incontinent of both bowel and bladder that requires feeding and total care. How long can you keep up the 24-hour job? You have a spouse and maybe even children...
