PAVILION BOOKS, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. A nostalgic A-Z of the most special and well-remembered 60s, 70s and 80s cars, with stylish illustrations accompanied by warm, humorous personal memories. Designer and illustrator Roy McCarthy explores the cars that made a big impression on him in his younger days, from the sludge-coloured, disappointing Austin Allegro his father brought home in 1975 to the Ford Zephyr he coveted from afar on the way to school. The evocative, colourful illustrations form a visual feast of late 20th-century driving, featuring all the cars drivers of a certain age will remember: the Hillman Imp, the Triumph Dolomite, the Opel Kadett, the Renault 5, and even the lowly Yugo 45 - a whole alphabet s worth, in fact! The perfect gift for anyone who s ever owned, been driven around in or hankered after one of these motoring icons. Word count: 15,000.
