MOVING BEYOND DISABILITIES PERSONAL SAFETY FOR THE STREET AND HOME: PERSONAL SAFETY FOR THE STREET AND HOME

Createspace, United States, 2011. Paperback. Book Condition: New. 251 x 201 mm. Language: English . Brand New Book ***** Print on Demand *****.Moving Beyond Disabilities is the first of its kind to specifically address personal safety, health and awareness for individuals with unsteady gait, who have need for a cane, who use a walker or wheelchair or are visually impaired. In this book it is clear that living with a disability does not mean that your personal safety is the responsibility of someone else. The empowerment and independence that one can feel by having the knowledge to protect themselves is life changing. The ten chapters include Being Aware Makes a Difference, Home Security, Personal Safety in Your Vehicle, An Unsteady Gait - Its Challenges and Solutions, A Walker s Versatility, A Wheelchair For Your Safety, Reaching Personal Safety with Visual Impairments, and Exercises to Improve Your Functional Fitness. Scenarios alert the reader as to potential daily concerns, escape techniques and counters combined with exercises to improve one s functional fitness. This is combined with her 30 years experience in the American Martial Arts...
