AUTHORHOUSE, United States, 2012. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. No one else ever took a trip like this. Nearly 600 trips, actually. But who cares, I thought, when first approached to edit the manuscript for this book . . about flying into every little airport in Indiana, then moving on to those in surrounding states? Pilots? Perhaps. Even so . I m a writer, not a pilot. And Bob Hechlinski is a pilot - not a writer. Except . Bob has an insatiable curiosity about people, places, events, you name it. To him, an airport is more than a name or a spot on a map. He s a great listener. He has ears and eyes for detail - nuggets that many people either overlook or don t connect with other nuggets like dots on a page, to create picture after picture after picture. And Bob has a gift for gab. Storytelling, if you will. So if you believe (as I do) that writing is talking when you can t be there, give this book a listen. Hear things you never knew about John Dillinger, Al Capone, a WWII pilot named O Hare . back-road encounters on Mackinac Island and not flying under the bridge . out-maneuvering storm clouds . the Oshkosh air show . close-knit neighborhoods with hangar-garages . airports in Ohio . police in Gary, Indiana . the link between Northwestern University and a historic Lake Michigan passenger-ferry tragedy . how a teenager s Happy Birthday flight launched a career . and more. Much more. Some people read books from page 1; the opening line hooks them. Others check the ending first. (If I like how it ends, I ll like getting there.) With Honey, feel free...
