Reviews

This book is great. I have go through and so i am confident that i will going to read through once again again in the future. I am just easily can get a satisfaction of looking at a written book.
(Miss Vernie Schimmel)

LAKE CHELAN VALLEY (HARDBACK)

Arcadia Publishing Library Editions, 2009. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A jewel nestled in the Cascade Mountains, fjord-like Lake Chelan is known today for its recreational opportunities, prominence in the apple industry, and up-and-coming wineries. This 55-mile-long lake, walled by cliffs for much of its length, was part of the traditional hunting, fishing, and gathering lands of several Native American tribes, including the Chelan Indians. The first European explorers arrived in 1811 seeking fur trade routes. Settlement began in earnest about 1886 with land allotments and homestead claims for the Chelan and Entiat Indians. Mining, logging, hydropower, the establishment of the Chelan town site, and the development of a lake ferry system followed. Generations of colorful characters appear in the history of the valley: trappers and miners, early entrepreneurs, and boat captains who piloted the steamers that served as the highway of the valley. All are part of the fabric of the Lake Chelan Valley today.
