The Collected Supernatural and Weird Fiction of Nathaniel Hawthorne: Volume 1-Including One Novel The House of the Seven Gables, One Novelette Rap (Paperback)

By Nathaniel Hawthorne

Leonaur Ltd, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The uneasy and spellbinding tales of a great American author Nathaniel Hawthorne was one of the earliest admired American novelists and short story writers. Born in Salem, Massachusetts, his origins ever influenced his work. His tales were invariably set in New England, were darkly romantic and were often concerned with the occult and witches and their works in particular. Indeed, one of Hawthorne s ancestors actually sat as a judge during the famous Salem Witch Trials, so the author s inspiration could barely have stronger foundations. Predictably Hawthorne s stories contain puritanical messages on the themes of sin, guilt and fundamental evil which go well with stories that contain uncanny and, sometimes, almost surreal elements. Although Hawthorne was decidedly popular with readers opinions about his work was sharply divided among his peers. Poe was a particularly harsh critic. Nevertheless, more recent analysis has suggested that he remains-possibly-America s greatest novelist, challenged only by Henry James and William Faulkner. This Leonaur collection of four volumes has gathered together Hawthorne s tales which contain elements of the weird and bizarre. It contains very well...

Reviews

I actually started looking over this publication. It really is rally interesting throgh studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dana Hintz

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).
