Have you tried every diet on the market, and you still can't lose weight? Are you living paycheck to paycheck? If this sounds familiar, then this is the book for you. Most people want to create a better life for themselves, but they just don't know how. We set ourselves up to fail and we don't even know it. This is why so few of us are living the life of our dreams. We get trapped in our 9-5 worlds and can't find a way out. Until now! Award-winning business leader Kevin Bender shares his proven formula for achieving your goals. This is the same formula that Kevin developed to land his dream job as Director of Retail at Citizens Bank Park, home of the Philadelphia Phillies. In this thirty-day program, Kevin shares the four principles of success. Focus, research, execute, and becoming extraordinary. Kevin teaches you how to use these four principles to reach any goal. Each day Kevin gives you a motivational shot in the arm, and a life-altering Game Changer exercise. This simple to follow, one-day-at-a-time approach keeps you on track to reach any goal. While each Game Changer makes little changes in your daily habits, you will witness great changes in your life. Develop powerful daily habits that will change the direction of your life. Learn how to practice these four principles to motivate you to accomplish nearly anything in your life. After you read all thirty days of Game Changers, you will be living a new, exciting, life of your dreams.
