MEDIEVAL CHRISTIANITY: A NEW HISTORY (PAPERBACK)

Yale University Press, United States, 2015. Paperback. Condition: New. Reprint. Language: English . Brand New Book. An expansive guide to the medieval world, with new attention to women, ordinary parishioners, attitudes toward Jews and Muslims, and more For many, the medieval world seems dark and foreign-an often brutal and seemingly irrational time of superstition, miracles, and strange relics. The aggressive pursuit of heretics and attempts to control the Holy Land might come to mind. Yet the medieval world produced much that is part of our world today, including universities, the passion for Roman architecture and the development of the gothic style, pilgrimage, the emergence of capitalism, and female saints. This new narrative history of medieval Christianity, spanning the period 500 to 1500 CE, attempts to integrate what is familiar to readers with new themes and narratives. Elements of novelty in the book include a steady focus on the role of women in Christianity; the relationships among Christians, Jews, and Muslims; the experience of ordinary parishioners; the adventure of asceticism, devotion, and worship; and instruction through drama, architecture, and art. Madigan expertly integrates these areas of focus with more traditional themes, such as the evolution and decline of papal power; the nature and repression of heresy; sanctity and pilgrimage; the conciliar movement; and the break between the old Western church and its reformers. Illustrated with more than forty photographs of physical remains, this book promises to become an essential guide to a historical era of profound influence.
