Rick Sammon s Creative Visualization for Photographers: Composition, exposure, lighting, learning, experimenting, setting goals, motivation and more (Paperback)

By Rick Sammon

Taylor Francis Ltd, United Kingdom, 2015. Paperback. Condition: New. 1st ed.. Language: English . Brand New Book. The difference between seeing and looking is essential-much like the difference, in music, between hearing and listening. In Creative Visualization, master photographer, photo educator and photo instructor Rick Sammon presents his proven methodology for creative digital photography. His signature inspiring and motivating approach opens creative avenues for photographers in a variety of genres. With easy-to-follow examples, Sammon shows you how simple changes-with visualization, composition, post-processing, and more-can mean the difference between a snapshot and a great shot. This book, illustrated with more than 300 of Rick s photographs, includes invaluable information about exposure, composition, subject choice, lighting, mood, and depth. In the Food for Thought section, Rick offers guidelines for setting goals, getting motivated, connecting with a subject, learning, painting with light, thinking like a painter and more. In Develop Your Creative Vision, Rick takes you on an exploration of composition, exposure, making images with impact, creating a mood, altering reality, and pursuing your passion. Corrective and creative image processing techniques, as well as HDR, EDR, panoramas and black-and-white imaging, are covered in the Image Processing Specialties section. Rick also shares a chapter...
