Shakespeare s Dark Lady: Amelia Bassano Lanier the woman behind Shakespeare s plays? (Paperback)

By John Hudson

Amberley Publishing, United Kingdom, 2016. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Amelia Bassano was born in 1569 into a family of Venetian Jews who were court musicians to Queen Elizabeth I. At about the age of thirteen, she became mistress to the fiftysix-year-old Lord Hunsdon, Henry VIII s reputed son by Mary Boleyn. As Lord Chamberlain, Hunsdon was in charge of the English theatre and would become the patron of the company that performed the Shakespearean plays. Amelia lived with him for a decade, during which time she also had an affair with the playwright Christopher Marlowe. When she became pregnant, Amelia was exiled from court and next surfaces as the mysterious `dark lady in Shakespeare s sonnets. At the age of forty-two, she became the first woman to publish a book of original poetry, employing linguistic features resembling the later Shakespearean plays. Amelia died in poverty in 1645. Drawing upon a wealth of documentary evidence, this controversial and provocative book unites Tudor history, feminism, and Shakespeare scholarship to demonstrate that Amelia Bassano was in all the right places and had all the right knowledge, skills, and contacts to have produced the Shakespearean canon.

Reviews

Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.

-- Joshua Gerhold PhD

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.
