GREEN BUDGET REFORM IN EUROPE

Condition: New. Publisher/Verlag: Springer, Berlin | Countries at the Forefront | Budgets have a big influence on the economy and society. With many countries, about 50 percent of total expenditures and income pass through the budget via taxes, charges and expenditures. In recent years many countries, e. g. in the OECD and the EU, have tended to use this influence in an environmentally rational way. Traditional environmental policy has relied on command-and-control and end-pipe technologies that have proven to...
