PAGEANT OF SUMMER (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. large type edition. Language: English . Brand New Book ***** Print on Demand *****. Green rushes, long and thick, standing up above the edge of the ditch, told the hour of the year as distinctly as the shadow on the dial the hour of the day. Green and thick and sappy to the touch, they felt like summer, soft and elastic, as if full of life, mere rushes though they were. On the fingers they left a green scent; rushes have a separate scent of green, so, too, have ferns, very different from that of grass or leaves. Rising from brown sheaths, the tall stems enlarged a little in the middle, like classical columns, and heavy with their sap and freshness, leaned against the hawthorn sprays. From the earth they had drawn its moisture, and made the ditch dry; some of the sweetness of the air had entered into their fibres, and the rushes-the common rushes-were full of beautiful summer.
