McGraw-Hill Companies. Paperback. Book Condition: New. Paperback. 288 pages. Dimensions: 10.8in. x 8.5in. x 0.8in. A years worth of ideas and activities at your fingertips Lots of useful information at your fingertips! Thorough, well researched with great links and connections. Jill Bergee, Missouri Teacher of the Year, 2002 What a great way to start the day and engage students right out of the chute! The diversity of topics covered and the user-friendly language guarantee that we won't grow tired of using The Teachers Calendar. And the almanac-type section at the end of the book is a great one-stop resource. Tim Bailey, Utah Teacher of the Year, 2002 What a great resource! It's added some fun ideas to my curriculum. This is a great document for helping to take advantage of that teachable moment! Deborah White, Oregon Teacher of the Year, 2002 I was captivated and entranced! I see this as an absolutely necessary tool no matter what your subject area or grade level. There is such an assortment of topics that every class, student, and teacher can find a multitude of events to correlate with not only typical interests but also the obscure and sublime. The information contained in the index alone is worth the price of this book! Alexis Ludewig, Wisconsin Teacher of the Year, 2002 This is a fabulous resource for teachers who go beyond the required curriculum. The Teachers Calendar provides connections to historical and current events, technology and society--all in a format that's quick and easy to use. Although it connects logically to the calendar, I plan by thematic units. I loved the index! It provided the links and information that will help me make better plans about when to teach my units. Jeanne Gren, West Virginia Teacher of the Year, 2002 I work with gifted and high-achieving fourth...
