

Warriors of Camlann.Sequel to Warriors of Alavna

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Bloomsbury USA Children's Books, New York, 2003. Hardcover. Condition: New. Dust Jacket Condition: New. First U.S.A. Edition. Mylar protected dust jacket. Warriors "Dan and Ursula have once again been called through the Veil into the middle of intense political drama in ancient times. Taliesin, the mysterious bard they befriended in Warriors of Alavna, has turned their exploits into legend, convincing the War Duke Arturus that Dan and Ursula both represent the "Bear" of an ancient prophecy that will come to protect the people. But when they come face-to-face with Arturus, they soon realize that reality and legend are often quite different. Could the War Duke actually be the legendary figure King Arthur, whose deeds transcended time, or is there more to the story, and do they have a part to play in it? Subtly and cleverly woven around Arthurian legend, this is a breathtaking and action-packed adventure".
